SPECIAL COMMITTEE ON REDISTRICTING

Tuesday, March 27, 2001 – 9:00 A.M.
Milwaukee County Courthouse – Room 201-B

M I N U T E S

MEMBERS PRESENT: Bailey, McGuigan, Ryan, White, Weishan, Diliberti (Chair)

EXCUSED: Mayo

Tape No. 1, Side A, 001-428

SCHEDULED ITEMS:

1. Introduction of committee members and staff, and review of the Redistricting Committee process - Chairman Diliberti

Chairman Diliberti welcomed committee members and informed them the committee will be meeting several times during the course of 60 days. One of the goals of the committee is to produce and submit a preliminary redistricting plan to the County Board 60 days from the date the official census data is received.

2. Legal Overview - Bob Andrews, Corporation Counsel

Mr. Andrews stated he and others in the Corporation Counsel's office are very well versed in the redistricting process and are willing to provide assistance when needed. The redistricting process is completed in three steps. First, once the census data is received, the County Board has 60 days to adopt a tentative county redistricting plan, which gets passed on to municipalities of Milwaukee County. Second, the municipalities must take the tentative plan and use it to adopt their ward plan. Last, the ward plan the municipalities adopt, comes back to Milwaukee County which allows the County Board to adopt the final redistricting plan.

3. Historical briefing of the Redistricting process and population trends - Glenn Bultman, County Board Staff

Mr. Bultman gave a brief history of the Redistricting process which was covered in a memo he distributed to all County Board Supervisors.

4. Introduction of Judge Fred Kessler

Judge Kessler stated the criteria that needs to be taken into consideration in redistricting is the population requirements. The second factor to be taken into consideration is the impact of the Voting Rights Act, Section 2, which states a redistricting plan can be successfully challenged in the courts under certain circumstances. It attempts to guarantee that a candidate of choice of a non-white community has an opportunity to win the district. He also stated he doesn't anticipate any serious problems based on the fact Milwaukee County has a total population of 940, 000 in which Hispanics make up 82,406 (8.8%) of the population, African Americans - 228,471 or 24.3%, Asians - 23,879 or 2.5%, and whites 583,481 or 62.1%.

Judge Kessler plans on speaking with each supervisor to develop a consensus among members of the County Board. In the past, he's worked on several redistricting plans and is currently working on redistricting plans in Las Vegas, NV and Clark County (county outside of Las Vegas). Each of these redistricting plans was adopted unanimously and he will strive to achieve the same result in Milwaukee County.

5. 01-43 Resolution by Supervisor Zielinski, establishing as Milwaukee County policy that all 2000-2001 redistricting plans to be considered by the County Board of Supervisors shall be drawn to comply with 1) Federal equal population mandates; 2) redistricting criteria as established by Federal and State laws; and 3) the maintenance of voting rights of Hispanic and African American citizens, as guaranteed by the Voting Rights Act of 1965, as amended.

APPEARANCE(S): Supervisor Zielinski, 12th District, Bob Andrews, Corporation Counsel, Peter Earle - (Supports), Rose Lue-Hing - (Supports), Barbara White (Supports), African American Empowerment Coalition

ACTION: (Bailey) Approve the resolution.

Discussion ensued as to whether or not this resolution is an affirmation of Milwaukee County's policy. Thereafter, Supervisor McGuigan offered a friendly amendment to delete the word "***establishes***" and insert the word "***reaffirms***" on line 30 of the resolution. Supervisor Bailey accepted this amendment as friendly.

Vote on approval of the resolution as amended. (Vote: 6-0)

Tape No. 1, Side B, 001-End
Tape No. 2, Side A, 001-End, Side B, 001-End
Tape No. 3, Side A, 001-499

SCHEDULED ITEMS:

1. Update on the Census

Chairman Diliberti informed the committee that census data was received the previous night at 5:00 pm and staff has compiled some of that information for the committee's review.

Mr. Bultman distributed data he compiled titled "Estimate of the Current Population," which shows the current population of each supervisory district and the total population of Milwaukee County (940,164). It also gives a breakdown of the gains and losses in each supervisory district. Mr. Bultman stated a report is forthcoming which will show the total population of each supervisory district, and the total population and make-up of each ward.

2. Introduction of Percy Julian - Consultant

Judge Kessler introduced Mr. Julian, an attorney, who will also serve as a consultant to the Redistricting Committee. Judge Kessler stated Mr. Julian had done the litigation out of the State of Wisconsin on behalf of the NAACP Legal Defense Fund. He also represented the NAACP Legal Defense Fund in a challenge to the redistricting of the school board in Phoenix, AZ.

Mr. Julian gave an overview of the law as it relates to redistricting. He stated there are three sets of laws that are of concern relative to redistricting issues. The first concern is the Constitution of the United States, which applies to states and municipalities through the Equal Protection clause of the Fourteenth Amendment. It states through the application of the "one person one vote" requirement, one cannot intentionally discriminate against a voter by making that voter's vote count less than the vote of someone else, or by denying them the right to vote. The second area of concern is the Federal Voting Rights Act - the application of the "one person one vote" requirement, and the ability of persons to elect representatives of their choice, meaning one person's vote is not diluted. The third area of concern is the State Law - the state in which the litigation is occurring.

A lengthy in-depth discussion ensued relative to voting age.

Mr. Bultman stated he will provide all supervisors with two reports which will contain information regarding the total population by race, and the total population over age 18.

More discussion ensued. Chairman Diliberti directed the redistricting staff to take into account the voting age to create minority districts voting age populations.

Ms. White distributed a letter to committee members that address concerns the African American Coalition for Empowerment has relative to the awarding of the consultant contract. Chairman Diliberti informed Ms. White that the letter is not on the agenda, therefore the committee is unable to discuss it at this time. He asked Ms. White if she would like the letter scheduled on the next agenda in

which she answered in the affirmative. Supervisor Ryan suggested scheduling a written report at the next meeting that would respond to the questions contained in the letter.

An in-depth lengthy discussion ensued relative to vote delusion.

3. 01-273 Resolution by Supervisor Bailey, to reduce the size of the Milwaukee County Board of Supervisors.

APPEARANCE(S): Juan Carlos Ruiz -Constituent (Opposes), Perfecto Rivera, Hispanic Chamber of Commerce, (Opposes), Peter Earle -Constituent (Opposes), Judge Kessler, Consultant, Barbara White, African American Coalition for Empowerment, (Opposes), Rose Lue-Hing - Constituent (Opposes), Supervisor Podell, 3rd District, Supervisor Lutzka, 17th District, Supervisor Nyklewicz, 14th District, Robert Murphy, Sr. Research Analyst, County Board, Supervisor Davis, 2nd District

MOTION BY: (Bailey) Refer the resolution to staff for the purpose of drawing alternative maps of 23, 24, and 25 districts with some sensitivity to the super-majority areas as appropriate.

More discussion ensued from the audience.

Vote on referral to staff. (Vote:7-0)

AYES: Bailey, Mayo, McGuigan, Ryan, White, Weishan, Diliberti (Chair)

NOES: None

Chairman Diliberti informed committee members the tentative meetings dates previously scheduled, April 10th and April 11th, have been cancelled. He suggested keeping May 8th, 15th and 23rd open for possible meetings dates due to the availability of a tentative redistricting plan.

Supervisor White raised the issue of this resolution being referred to staff, although another meeting will not be scheduled until staff completes alternative maps representing 23, 24, and 25 supervisory districts. Chairman Diliberti stated this is correct, however, staff can be asked to produce the plans whether the resolution is before the committee or not.

Supervisor Mayo requested staff also look at options to increase the supervisory districts to 35 and 50.

Supervisor Nyklewicz asked the committee to reconsider the motion and send the resolution to the County Board to afford all members the opportunity to openly discuss costs savings, merits of representation, the cost of campaigning, and to determine the size of the board.

More discussion ensued relative to scheduled meeting dates for the committee. Chairman Diliberti stated the next

1. 01-261 Report from County Board staff relating to proposed redistricting plan for the 2004 elections.

APPEARANCES:

Frederick P. Kessler, Redistricting Consultant

Glenn E. Bultman, County Board Legislative Research Analyst

Mr. Kessler indicated he submitted a revised plan, as detailed in his communication dated May 14, 2001, which has been given to the Committee and interested parties. A copy of the said plan is contained in the subject file.

In addition to the subject report by County Board staff and the revised plan submitted by Mr. Kessler, Mr. Bultman explained that the Committee has also been provided with a letter/legal brief with attachments from Percy Julian, dated May 11, 2001, relating to legal issues associated with the redistricting plan. A copy of Mr. Julian's letter/legal brief is contained in the subject file. He concludes that the plan complies with the redistricting principles of both State and Federal laws.

Mr. Bultman continued by explaining the difference between his recommended plan and the plan recommended by Mr. Kessler. He asked that the Committee recommend approval of his plan.

The Chairman proceeded to take public comment at this time. Appearances were made by the following individuals:

Chairman Diliberti shared with Committee members a statement faxed to him by State Representative Pedro Colon, who was not able to attend the meeting due to a family illness. A copy of Representative Colon's statement is contained in the subject file.

At the request of Supervisor Ryan, Judge Kessler commented on some of the concerns raised by the above speakers. [6-A-540]

Further comments and discussion ensued, including an appearance by Marilyn Figueroa from the Latino Get Out the Vote Project/The Latino Redistricting Committee. Chairman Diliberti asked that the following statement of Ms. Figueroa be made a part of the minutes document. She stated for the record that this Committee faulted in getting input from the Latino community. In case there is a lawsuit, she stated that the lack of input and the lack of this Committee looking at the Latino community and respecting the community to get the input is something they have a concern with. A written statement from The Latino Redistricting Committee, dated May 14, 2001, is contained in the subject file.

ACTION BY: (Mayo) lay over.

In response to a query by Supervisor White, Supervisor Mayo indicated his reasons for lay over included getting information requested by Supervisor Zielinski with respect to the feasibility of creating another Hispanic district utilizing 2000 U.S. Census data and getting a response to questions raised by Ms. Rose relating to African-American and Hispanic voting percentages, among other things. He questioned the methodology used in determining the district boundaries and stated that he was not prepared to vote on this plan at this time as there are too many questions that need to be answered.

Supervisor Arciszewski was seeking assistance from the Committee to revise the Final Plan so a small triangular section that was in her district in the Tentative Plan be reinstated in the Final Plan. Due to actions of the City of Franklin when drawing their ward lines, this small section ended up in the 19th Supervisory District.

Chairman Diliberti indicated that Supervisor Launstein had contacted him before the meeting advising him that she had not been fully apprised of this yet.

Mr. Bultman recommended that the Committee approve the plan presented today and that he work with the Chairman of the Committee and the affected Supervisors to see if an amendment could be worked out to resolve this situation.

Supervisor Arciszewski was amenable to the above.

Supervisor Mayo proceeded to comment on the redistricting process and expressed concern about the proposed Final Plan, particularly the 9th District.

Supervisor Johnson asked what the ramifications were if the County does not accept the City of Milwaukee's ward lines.

Chairman Diliberti pointed out that the City of Milwaukee ward changes affected six Supervisory districts. The six districts were adjusted to accommodate those changes. There were also six other Supervisory districts affected by changes made by other municipalities. In all, 12 Supervisory districts were changed to accommodate new ward lines.

Mr. Andrews explained that the municipalities are supposed to use a good faith effort to follow the ward lines adopted tentatively by the County; however, once they draw the lines, the County must follow them and adjust the districts accordingly.

Further comments followed.

ACTION BY: (White) amend the proposed Final Plan by (1) adding Ward 26 of the City of Milwaukee to the 2nd Supervisory District with 2691 persons, which was previously approved by the County Board in the Tentative Plan as part of the 2nd Supervisory District; and (2) adding Ward 161 of the City of Milwaukee to the 9th Supervisory District with 2381 persons, which was previously approved by the County Board in the Tentative Plan as part of the 9th
